RE: Inspection Report for the March 2, 2010 Compliance Inspection  
EPA ID Number COR000220137

On March 2, 2010 I conducted a compliance evaluation inspection at Abound Solar. This routine inspection was conducted to evaluate your compliance with the Colorado Hazardous Waste Regulations (6 CCR 1007-3). Based upon our observations at the time of that inspection, a Compliance Advisory was issued.

I received your written response to the Compliance Advisory on March 25, 2010. Based upon my review of your response, the Division is hereby closing the referenced Compliance Advisory and does not intend to take further action on this matter.

Please feel free to contact me at (303) 692-3429 if you have any questions regarding this matter.

Sincerely,

  
Beth Ann Williams
